

# 54 Day Rosary Crusade To DEFEAT RADICAL ISLAM

**We are asking all Catholics, as well as all Christians of good will to join an international coalition of Roman Catholics and Orthodox throughout the world to storm heaven to defeat the radical forces of Islam that are murdering, maiming, raping, pillaging, and creating mayhem right now throughout the world. Their target is specifically Christianity because of their hatred for the One True TRIUNE GOD revealed by the Incarnate Second Person of the Most Blessed Trinity, Our Lord and Savior Jesus Christ!**

**Our Lady at Fatima told us that Our Blessed Lord had placed the protection of the Church into Her Immaculate Hands. "Only I can help you," She told Lucia. Our Lady asked us to pray the Holy Rosary every day to bring peace to the world and to spread devotion to Her Immaculate Heart.**

**Under the inspiration of Pope St. Pius V, and as our ancestors did in the past, we now turn to Our Lady, Help of Christians to defeat the forces and hordes of ISLAM which have again descended upon the world. They are bent on the destruction of Western Civilization built upon the foundation of Christendom. Pope St. Pius V, in 1571, asked the Catholic world to pray the Rosary for the success of a small outnumbered Crusade to defeat a great force of Islam headed toward Western Europe. The Battle of Lepanto took place on October 7, 1571 and against all odds the small forces of Christendom succeeded in completely destroying the Islamic threat. St Pius V was given a vision of the Battle and saw Our Lady as the one who defeated the entire Islamic Horde. Thus he proclaimed October 7, the Feast of the Most Holy Rosary.**

**Begin September 15 (Our Lady of Sorrows) to December 8 (The Immaculate Conception) we ask all faithful Catholics to pray the Rosary every day specifically for the intention of Defeating Radical Islam in every place on earth it is terrorizing, enslaving, murdering, mutilating and bringing tyranny against the innocent, especially our Christian Brothers and Sisters in the Middle East, North Africa, and Asia. Because some Devils are only cast out with prayer AND FASTING we suggest during the 54 days to fast from one meal every day and abstain from some favorite food, drink, or enjoyable pass time.**
